| 12:00pm | <p>Nutrition Education Luncheon • Meeting Room 10</p> <p>Pam Hurst, RVT and Manager of Influencer Markets of the Iams Co. will discuss topics on nutrition. Bring your lunch and relax with other Beezer people at this fun event. This is NOT a sales pitch for a certain brand of dog food or diet. This is an informal discussion on questions you may have about nutrition and supplements, raw diet vs. brand kibble and the proper balance of nutrients at the different life stages of your Ibizan. Thank you bags will be offered.</p> <p>About the speaker: Pet nutrition is a huge part of Pam's life. "It's critical for me to keep up to date on product changes and how nutrition impacts dogs and cats," she says. Customer service is another important aspect of her job. "I love sharing my expertise about nutrition with other people who embrace the love of animals," she says. "I feel it is so important to give our companion pets the best quality of life possible." Pam has been a veterinary technician for over 25 years. Her family also includes a geriatric lab and a neurotic but loving cat. In her spare time, Pam helps several local humane societies with fundraising events and public awareness. Pam also wrote an article featured in Veterinary Technician Journal.</p> <p>Roundtable Discussion: What types of events do you do or want to do with your Ibizan besides conformation?</p> |
