Beezerfest 2008 presents:

The ABC's of Dog Breeding

What Every Breeder Should Know!

Thursday, March 13, 2008 3-6pm

Practical Canine Anatomy for Breeders and Judges

Hands-on Workshop

Friday, March 14, 2008 3-6pm

**Presenter:
Claudia W. Orlandi, PhD**

Held at the Kentuckiana Cluster of Dog Shows
Kentucky Fair and Exposition Center
West Hall Meeting Room (TBA)
937 Phillips Lane • Louisville, KY 40209

The ABC's of Dog Breeding seminar is easy to understand and fun to learn. It explains many of the practical genetic breeding principles that can benefit breeders of all breeds of dogs and addresses common misconceptions handed down from dog breeder to dog breeder. The **ABC's textbook** outlines 7 key breeding tools and concepts: genetics, breeding systems, pedigree, selection, anatomy, kennel blindness and genetic defects. Attendees who complete the ABC's of Dog Breeding workbook exercises and send them to the AKC will receive a Certificate of Completion.

Walk-in registration: \$35/day *(based on available space)*
The ABC's of Dog Breeding textbook shipped after the seminar: \$30
